“ Dianna and Jerry, I was so sorry to hear of your dad's death. You had him a good long while and had all that time to enjoy the fun of being with him. Remembering those good times and laughter makes it easier to say goodbye. Do you remember the red 1964 Catalina Pontiac we had? When Daddy said we were going into EC to Dale's shop to get the car, I just couldn't figure out why we were going there. That's how I found out you didn't have to go to a fancy dealership to get a brand new car. May God's love bring you peace now and in the days to come. David and Alice Fisher

“ Dale and Louise use to attend our church at First Christian, Afton. They were the sweetest couple and always had kind words to say about everybody. His son, Jerry, and wife Dianna, also attended and when not traveling, they were always there. When Louise passed away, Dale seemed so lost, and I am so thankful that he found someone just as sweet as Louise to marry and be by his side. Francis adored Dale and would do anything for him. So glad that he wasn't lonely anymore, she took very good care of him in his last years on this earth. A very kind and gentle man, I never saw him mad. He will be missed!
