“ I'm so honored to share about my dear friend & co-laborer - Bro Darrell VanPool - what a joy it has been to have him & Ms Paula by my side over so many years as I've traveled the world with their special prayerful support . Darrell has been such a gentle giant of encouragement & strength . His soft supportive love for his bride has been such an example for the men that knew him . His love for her - his family - and those of us that knew him in the Lord - will be greatly missed . My bride - Dr Derrise & I have been so blessed to have Bro Darrell & Sis Paula In our lives - helping us to reach the unreached & telling the untold . We know he was given a hero's welcome as he triumphantly crossed thru heaven's gates . May he rest in his eternal abode - until we meet again . Love you for eternity my friend . Dr Clyde Frizzelle

“ Paula, So sorry for your loss. Darrell is walking the streets of gold now, completely healed and whole, without a care in the world!!! I always loved visiting with you and he, around your dining room table. He was a quiet man, but when he spoke, it was what I needed to hear!!!
He was a pleasure to be around. I am so blessed to have known such a caring and Godly man. I'm praying for Holy Spirit comfort for you, knowing it won't be long until we all rise to meet and walk with him there!!!

Paula & Family,

We were blessed to have had Darrell as a part of our church Family.

I will always remember his kindness, and most of all his patience as Paula visited with friends after any given church service.

Darrell would sit and wait on her while she fellowshiped and he never expressed that he was ready to go or tired of waiting.

He was an example of a Godly Loving Husband. He will be greatly missed.
