“ David will always be my best friend, I loved David because it didn't matter how long it was since the last time I seen him, the problems didn't matter, he always wanted to hang out. Well I didn't get to go the fair with you that Saturday but I'll always cherish that call two days before. Love you David! Thank you for the invite, I'll miss you and never forget you!

“ *My Big Brother.*

David loved being outdoors more than anything — it was where he was happiest and most at peace. He had such a kind heart and a quiet strength that touched everyone who knew him.

He was also my “Tulsa airport Uber,” always ready with a smile (and probably a story) when I needed a ride. I will miss him deeply — his laughter, his help, and his love. Until we meet again, Bub.

I still can't believe you're gone! It's so hard to grieve those you don't see every day. I'm gonna miss my nightly 420 joke, your laugh, pics of your travels & family. I know mom & dad are glad to have you in their lives again. I can't wait to see you again! Give Jesus a hug for me. I love & miss you so much

My life partner trouble when we were kids, you were always on my side! Later in life we got in trouble ,and made the family worry! When we did what we did we weren't think of family. And when Mitch was born we prayed together. We had a talk about letting mama go when she was waiting to hear it from all of her children. We had some ruff times and you were there for every time. I will miss you forever You were my best brother!! Till we all gather again, Patti

*My very dear cousin David, we all had the very best times together when we were kids. Roaming every inch of the farm following you and Tony so you could shoot snakes to protect us girls. You are a huge part of the very best childhood memories that I will cherish forever. You loved your family big and we will miss you so very much. Give Tony and Robbin a hug for me. Grandma has her boys again. Love you Cuz!

*Sorry to hear of David's passing. It's been years since I've seen any of you. But I have some great memories of a family reunion in Arkansas. I was 9. All of us cousins had the best time ever. David tried getting me to hold one of those water snakes and when he saw I was afraid he would tease me and make me run screaming! Best reunion memories ever. You will be missed. My prayers and love are with all of you.
