*Deborah Clark Shaffer-Hall. born on August 19, 1953 in Tulsa, Okla. to Dan and Barbara Shaffer, 3rd of five children.*

*I remember this day so well. I am her older sister by 9 years. I couldn't help care enough for my new sister. I loved the daily chores of feeding, diaper changes, rocking baby, and of course singing to baby. She was the center of my life. She was also a beautiful baby with big blue eyes and white hair and was always smiling.*

*As she grew older she became a real "Daddy's Girl" and he loved it! He always called her "Deb-bo". I found out when my family moved back to Okla. and I stayed in Colorado how much Deb missed me. She was so thrilled when I came back to Okla. Soon I was engaged and married and she loved my husband, Jim to. He was always special to her. Deb was a bridesmaid in our wedding and she cried through the whole wedding.*

*She had her first child, Jason, 6 mo. after I had my first boy, Jamie. These two boys had a lot of fun as toddlers.*

*I am so thankful that in the last 8 years we became close again! She would call me some days just to make sure I new how much she loved me and Jim and our boys.*

*Deb had a rough road in life in her last years but never did I hear her complain. She loved it at her new home in Miami and they loved her and took such good care of her. When I would come to visit she would introduce me to everyone at the home as here "Pretty Sister". She always embarrassed me with that.*

*What Deb didn't realize was that she was the prettiest. I love you Debor-a! I will miss till I see you again.*

*All my Love  
Your Big Sis  
Diane & Jim*
