“ *What great memories I will always cherish of Debbie! Her dedication and concern for her family and the residents of Family Care Centers of Fairland were unmatched. She stood quite until she had something that concerned her and then she stood strong and you knew she would be speaking from the heart and it would be to your benefit to listen. I will always be grateful for my working relationship with Debbie and considered her a friend as well.*

“ I remember Debbie from the 70's when we worked at Shangri-La. She was the sweet one and so helpful, low-key, friendly and any word you could think of to describe a sweet soul that was here to touch people's hearts. I know Debbie is in heaven...no doubt about it, God needed his special person back. RIP Debbie. You always thought of and now very missed but you're up there with your family now. RIP

“ Debbie and I became fast friends when I came home from the hospital. We played with Barbie dolls, had sleep overs & baked cookies. In high school we went to the football games & worked in the concession stand. When we got a car we dragged main in Fairland & hung out @ Boyers Dairy snack. As teens we attended a church service @ the Assembly God church in Fairland. Debbie being very shy & introverted could not go to the front during an alter call but later that day when we were together she asked Jesus into her heart. She later attended a revival @ the First Assembly of God in Miami & went down the isle & followed up with baptism. Debbie has a big heart and she loved with her whole heart. If she loved you-you knew it! As we grew up and went into our careers sometimes it was awhile before we saw each other but when we did, we just picked up our conversation where we left off. I will truly miss her but I know with certainty that I will see her again!

“ *So sorry to hear of Debbie's passing. I grew up with her on "G" street in Miami and went to school with her until they moved and had no idea where they moved to. She was so fun to be around when we were kids. Praying for the family. Marsha and Pony were just as sweet as her. RIP my long lost friend, until we meet again.*
