“ I never knew Dee but she was married to my second cousin Rick. Since I don't know how to use the Family Tree link here I will go the long route. I am here because her father in law Bob who is my mom Nova Smiths first cousin once asked his his friend, my dad, Clifford Gowen to join him in making a trip from Coffeyville to Missouri to visit his relatives.

Patricia and I even lived 2 houses apart on 3rd St and I used to watch her 2 boys playing in the back yard.

Whenever I see or hear the movie The Wizard of Oz, it brings vivid memories when my family got together with Bob's family to watch it at their Dearing home when it first came out.

I once went to a garage sale in Wichita and the guy was wearing a Hoffman Trucking tshirt, so I questioned him and found he was an employee who just happened to live just up the street from Summer. Whenever I see Richard Hoffman truck, to this day, think of all these family memories and members I know and know of.
