“ I did not know Annie as a woman in person except through facebook. But the posts on her behalf were extraordinary and proved her to be an amazing, loving and caring woman. As a student of Earnie and mine ... "Delores" was such a sweetheart. She was as loving and caring, even back in the 70s, as many say she was in her womanhood. May God wrap His loving arms around her family and give them strength, comfort and peace ... knowing that she is celebrating beside her Savior in heaven today. I love you ALL!!! God bless you!!
