“ I meet Denise in 1973, my husband and I lived in Sapulpa, Pam introduced us, I have twin girls and a son also, and I had three children in diapers at the same time, Denise would come and help me out with my kids, and she was always so bubbly and happy, her smile and personality was contagious, she was beautiful inside and out, and I am so sorry this happened to her. All of you children have some of her good traits. Praying for all of you.

“ Denise has been my friend for almost my whole life. We met when we were 10 years old and were very close friends for many years. We have lost touch at times through the years but always seem to drift back together from time to time. I will miss her very much. There will never be another like her. ❖ Blessings and comfort to her parents, Jim and Ramona, her sisters Jamie and Lisa, to her children, Amy, Erin, and Josh, and her husband Frank.

“ Denise was such a sweet and caring person. ♦ She invited me to church in high school and it made such a big difference in my life. ♦ Even though I hadn't seen her in years, she always put a smile on my face every time I thought of her. ♦ My thoughts and prayers are with all her family and friends during this time.
