My Guy!!! Dewayne had the funniest corny jokes! He would walk the halls of the facility all day and walking by him never got old. "Your shoes are untied" or you dropped your picket jokes. We all had tears as he was leaving as he did too ... his was excitement to go home and get to be with those little kids he loved so much! Ours were selfish tears of not having his funny personality around. I'm thankful for the appointments I got to take him to and our long talks. This one was already missed and to know the outcome is heartbreaking. Rest in peace Dewayne!!! ❤️

GH

When Bodie was driving truck he took me with him on a trip. He was headed to CA and i was going to AZ to travel east with a friend. We had quite a trip complete with a stop in TX at Billy Bob's. May you rest in peace eternally.
