“ *I was glad to have known Don for several years. I was glad to have worked with him in the school district. I was glad to have him as a friend, but more glad to call him my friend. You'll be missed, Odis England.* ”

“ I was fortunate to have Mary Margaret and Bill Allen as my Aunt and Uncle. Aunt Margaret was one of 3 sisters to my father. When times were tough for me as a 15 year old they took me into their home and treated me like their son. I had met Don before but did not get to know him until I moved to Miami. Don treated me with open arms, helped me get some summer jobs while in High School and later a job at The Hub, a men' clothing store. He got me a job during the summers with a beer distribution company and for a 16 year old that was a lot of fun.

He came to my football games and always encouraged me to do the best I could. Over time we did become very close and I truly thought of him as my brother. Over time we did not see each other very often, but we did talk on the phone regularly.

There is an old saying. " Do not put off till tomorrow things you can do today; for we know not what tomorrow has in store for us." We often talked on the phone and talked about us coming to Miami or Don and Sherri coming to Yukon Oklahoma. I truly regret not getting in the car and going to Miami to see Don, Sherri and all the cousins I have there. I know Don is in Heaven and look forward to seeing him when I arrive. May God bless you, Sherri and all of your family.
