“ MY deepest heart felt condolences to the family. I went to school with Donnie. He was always a super guy. He never had any attitude of superiority towards others. It was an honor to call him my friend. His passing saddens me deeply, but I know he is with God and watching over you. His physical being is not with us any longer, but his wonderful spirit is and always will be. Donnie was one of the good ones in a world of not so good ones. Good bye my friend, I will see you again one of these days, God willing.

“ I had the privilege of coaching with Coach Bigby when he was at Baxter Springs. Coach was a man of strong character and he passed that on to his players, coached and parents. The biggest impact on me was his zest and zeal for the Lord and how he lived it each and every day. Our thoughts and prayers go out to his family and know he was loved by many.

“ *Coach Bigby was a great coach and an even better family man. He always told us to visualize greatness or you would never realize your full potential...this is something I've carried with me, and will carry into the future; and will also pass it on to my children. The Mann family's thoughts and prayers are with the entire family.*

“ I played offensive line for Coach Bigby last year. It was my senior year and they brought in Coach Bigby. It is amazing how big of an impact he had on my life just from one year of football. He was an amazing coach, and he taught me so many great things other than just football. He was one of the greatest men I knew and will be missed. I'm very sorry for your loss.

“ Cindy and the Boys, we will always remember Donnie - from being neighbors across the street when the boys were young and watching them grow and work hard as young men taking the trash out and mowing the lawn - Donnie had such a loving tender yet firm way with young men. Especially our son who played football for Donnie and made such an impact on him. We will never forget Donnie and we pray for peace and comfort for your whole family as God walks you through this trying time. Just know you are all loved and are in our daily prayers.
