“ I always loved going to see grandpa Don, going all over town, eating out and listening to him talk. He sure did love to talk! His dog tink knew so many tricks and I remember asking him several times thru the years “grandpa how did you teach your dog to do that?” Every time he would laugh and reply “ you can teach a dog to do anything Devon. You just have to be a little bit smarter then the dog.” Grandpa always had a couple of kids with him calling him grandpa. Never once did I ever hear him raise his voice or lose his patients. Our visits never seemed long enough or frequent enough I miss him very much and wish I could have lived closer and been more a part of his life. There’s something special about a grandparent that’s incomparable. Love you grandpa! See you later Love Devon

*What an awesome man Don was!! He truly loved Jesus and he was the best person I know who loved the little children. God has surely given him a crown of gold which I know Don would put at the feet of his Lord and Savior. We will miss him very much. I am an Aunt to Ashley and Kelsey ( Larry's sister).*

*May God bless your family. The Schmidt Family*
