“ *I was deeply grieved to learn from Tricia of the deaths of Don and Nancy. ♦ I lived in the same block in OKC during our high school years with Don and Tricia. ♦ Tricia and I have remained close friends through the years. ♦ I loved their parents and admired Don tremendously. ♦ He was an avid (honor) student, but took part in high school-sponsored activities and maintained his paper route for The Oklahoman. ♦ I met Nancy on a couple of occasions in OKC and really enjoyed getting to see them three years ago at an all-school reunion at Central High. ♦ They invited me to visit them and I hoped to do so because I have family in the area, and I wish I had done so.*
