“ My Aunt Donna will be missed. I remember the days when I attended Warren Western Reserve High School and she would have me over and make us lunch a couple days a week. As the last surviving sibling, my Mother Sally (whom Aunt Donna called "Susy Bell") will miss her sister as they were close. Luckily, Aunt Donna was able to visit us twice in the past three years in Florida in which she stayed for a month each time. The smiles in the picture are for Happy Memories from her sister and nephew. Rest in Peace Aunt Donna & Sis! Billy G

Smiles are for the Happy Memories! My Aunt Donna will be missed by myself and her sister Sally (whom she nicknamed "Suzie Bell") We were lucky to have her visit us in Florida 2 times in the past 3 years for a month at a time. As her nephew, I will cherish the days while attending Warren Western Reserve High School where she had me over during lunch break and make us lunch a couple times a week. My mom and Aunt Donna were very close sisters. May she rest in peace. Love from the Garghills...Sister-Sally, Nephew-Bill, and my sister, her niece-Maggie.

“ *In life we loved you dearly, in death we love you still. In our hearts you hold a place, no one else will ever fill. We cherish the many laughs we had and making the most out of errands that had to be done. You could turn a simple grocery store run into a fun adventure. Until we see you again we'll hold those memories we made in our hearts.*

“ *Mom spent her life taking care of her family. She had so much love to give all of us & others. She always found a way to make things work, even in the toughest of times.*
