“ Jerry, Amber, Ryan and family,
I am sorry I am not able to be with you all during this extremely difficult time in your lives. I wanted you to know that I feel your pain and pray for comfort for your pain. Donna was a wonderful person. She was always so pleasant and a very classy lady! I know she loved Jerry dearly and her children were her shining stars!! She spoke often of how proud she was of both of you. I will tell you from my experience that it takes a lot to cope with the loss of a mother but know she will always be with you. Bless you all. Cherie
