“ I knew Donna from doing genealogy back in late 60's and early 70's. One of the original genealogists in Miami. I also knew her as a Girl Scout troupe leader. She was a sweet lady and always had kind words for everybody. RIP Donna, you earned it.

“ I worked with Donna many years ago at Security Bank where we had some fun times. She was very good at her job running the proof machine. I'm sure she will be fondly missed by many friends and loved ones.

“ Donna and I started school first grade and went through NEO. Our mothers were Brownie leaders. She loved our class reunions and was active in keeping our records up to date. Donna was full of life and will be missed. I'm hearing from our classmates and they all extend their sympathy to her family. RIP, dear friend.
