“ *I love my daddy very much and I will miss him so much. He was a wonderful man and tender hearted. The most easy going hard working man I have ever known. I couldn't have wished for a better role model to me and my children. He loved us so much and always did everything he could to make sure we were happy and loved. I will see you again just not today. We love you so much!*

“ Eddie was my friend. We met the first day of first grade 61 years ago and stayed friends throughout our lives. His great faith helped me begin to accept the loss of my daughter as he described to me what he had seen in two previous trips to Heaven as he struggled with heart problems. I know he is happy and safe and we will see him again. Bless you, dear friend....until we meet again!
