“ *I had the great honor of being Mrs. Kurth's nurse for almost two years. She could light up a room with her smile and joyful disposition. She was one of the sweetest ladies I've ever had the pleasure of knowing. I always enjoyed and looked forward to seeing her, and loved just sitting and talking with her and Mr. Kurth. They had the best stories of their life together and it was very apparent how much they loved each other...where you saw one, you saw the other! Theirs is a true love story and one that impacted me and so many others. I will forever be grateful for the time I had getting to know Mrs. Elaine. She will be greatly missed. May God bless your family and all of her loved ones.*
