“ I had worked around her a few times and I always liked her. She always made sure that my patient had the TV on what they liked which meant so much to them. I'll never forget that so sorry about what happened to her.

“ Susie was a dear classmate and friend. We were a part of a special girls mission group in Miami FBC and spent many wonderful times at Mavis Packs’ home and farm. Enjoyed riding horses and playing shuffleboard there. We also played summer softball and participated in Parks and Rec activities together. Susie gifted me with her loving kindness and sweet spirit. Rest in Jesus my friend.
