“ *We wish we could be there with you for Betty Ann's services. Dennis and I are unable to attend due to his fall last weekend and breaking a rib as well as reactions to pain medication. We want you all to know how much we care and please know that we would be there if we could. We both know how hard it is to lose someone you hold so dear, especially your mother. Hold her memory dear to your heart and see her smile and hear her laugh always. We will be making a contribution to the Clifton Cememtery Fund in her memory. We think she would have liked that donation to help keep up the cemetery. With Deepest Sympathy, Dennis, Mary Ann, Brett Richardson and Lauren Robinson (Brett's fiancé)*

“ *When I think of Betty Ann, I think of someone who liked to have fun. She was the aunt on the Andreatta side of the family who knew how to have a good time. As we reminisced after Jimmy's funeral, she's the one who drove a convertible and took us swimming when we were kids. She always had an easy laugh. I'll always remember her voice, too. It was unlike any other.*

I am so glad I was able to visit with her in January and am so sorry we had to lose her so soon. I know she suffered so I'm thankful that's over for her. I am so sorry she's gone.

In lieu of flowers, Tom and I will make a contribution to the Clifton Cemetery Maintenance Fund in her memory.

We are so sorry for your loss.
