“ So sad to hear of Ms. Hale's passing. She was like a second mother to me in elementary school and junior high as I hung out with Joe at the Hale house. She was always so welcoming and happy to have me at their home - and always had snacks for us growing boys! I have nothing but great memories of her. Sorry we did not learn of her services early enough so we could attend. Joe - Rosie and I have you in our thoughts and prayers. Robert and Rosie Peterson

I remember the friendship I had with your Mother & Dad when they visited at the Jolly Mills dinners we had with all of the community we had many fun times with them and visiting in their home. They were wonderful friends.
