“ Mrs. Lannan, as I have called her since I was in her first grade class years ago, was a very extraordinary woman! She was one of those special teachers and mentors that made an impact on me. I truly believe having such a positive experience with a teacher like her at such a pivotal time in a young life, was invaluable and helped shape who I became. She will be missed and is someone that I never will forget. I offer my deepest sympathy, as well as my thoughts and prayers, to her family.

Joe and Family,

I am so sorry to hear just now about your Mom passing away. I have always had a special place in my heart for both of your parents, as they touched so many students lives as teachers. Please know that I care and would have been there at her funeral. Holding all of you in my thoughts and prayers.
