

Eva Louise Wright

June 10, 1948 - July 30, 2016

Eva Louise Wright passed away Saturday, July 30, 2016, at the age of 68 after a long illness with Alzheimer's. Louise was born in Longview, Washington on June 10, 1948 to Homer and Ardie (Essex) Unger. She married Dennis Wright on June 25, 1965. She was baptized at the First Christian Church in Miami, OK. Louise was preceded in death by her husband, Dennis Wright, her son, Rusty Wright, and her parents, Ardie and Homer Unger.

Louise (Unger) Wright was known for her contagious laughter and smiling face.

She was generous to all who knew her. She loved to dance and laugh and live Life to the fullest. She loved her children and grandchildren with every ounce of

her being. She was proud of their accomplishments and enjoyed watching them

succeed. She was beautiful, fearless and funny. She was known for her outgoing

personality, laughter and zest for life. She loved her children with all of her heart.

She was a great mother who sacrificed many things for her children and never complained. She wanted what was best for them and worked hard to give

them

everything that she could. God placed her on this earth to make us all laugh and

smile every time we saw her.

She would also take on any challenge that was given to her. She was very supportive and vocal in her husband's powerlifting career. She was a chairperson

at many State Powerlifting meets and liked to travel with her husband to attend

meets, particularly the National Competitions and the World Championship meet.

She was a vocal advocate of Powerlifting, and went head to head on many occasions with some of the biggest judges, writers and publishers in the sport.

She help give support to many young powerlifters training with her husband Dennis, by cheering them on, repairing torn powerlifting suits, and often setting

an extra plate for them at dinner.

She worked her entire life raising her family, as well as working for Eagle-Picher,

Bayliner and Tracker Marine. She enjoyed sewing and would make blankets for

her grandchildren. She even knew how to perform home repairs and fix an automobile that wasn't running. She was an amazing woman who was not defined by stereotypes of her generation.

Louise will be missed tremendously by all of those who were lucky enough to know her. She had a heart of gold and her love for her children, grandchildren, friends and family will carry on forever. Louise was truly "one of a kind".
