“ So sad to hear this! Floy was a great person and good friend. She helped my son with his reading. She was an advocate for those who needed help and a true professional. She was also a joy to hang out with.

“ I loved this woman and am shocked to hear of her death. She was a dear spiritual friend who baby sat my children when they were little. They lived her fried asparagus. The fires in Hawaii provoked me to think of her and now send my love and prayers to her and her family. 🙏🙏🙏❤️❤️❤️. Martha Pantier

“ Floy Nell was one of my many cousins. I have many great memories of time spent with Floy Nell and her brother, Tom as kids in Oklahoma. She was very close with my brother, David, when they both lived in Denver and I am grateful for her friendship with him. My prayers for her family and friends and may she rest in peace.

“ *Floy Nell was beautiful with her perfect complexion and shiny black hair. As being cousins we played a lot growing up one block apart. And all the good times we had Grandma and Grandpa Carter’s house. May you rest in peace.*
