“ Praying for strength, courage, comfort, and that peace that passes all understanding for Frances' family during this most difficult time. I spent many hours with the Pollard family during my junior high/high school years and have many wonderful memories! Frances was a wonderful friend. Special memories of just hanging out, going to church, learning to water ski at the lake, singing, etc. Lots of love and hugs to Carlene, Margie, and Millie. Rest in Peace Frances.

“ So sorry to hear of her loss. I enjoyed having her as a math teacher in both Jr. High and High School. I was in Math Club with her also. I will always remember her smile and the games she would play with us to help us learn. She always went above and beyond. She will be missed.
