“ I remember how sweet, kind, and thoughtful Francis always was, especially when us guys would hang out at her and Bill's home in Tulsa. The wonderful cooking and great eating when we'd spend the night at their house was a real treat.

The whole church youth group would gather there in the Melott basement and play Ping-Pong and enjoy all the refreshments! What a wonderful time we had gathering at her home!

Francis loved the Lord Jesus Christ (a saintly lady and mother) with all her heart, soul, mind, strength and spirit. I recall also, the morning devotional readings and then breakfast when I was invited, and blessed to stay-over occasionally during our teen years.

Francis was a faithful and hard worker at Amarada Hess in Tulsa, Oklahoma.

Sister Melott loved their dog at that time, named Sam! Sam was a great companion and entertainer when we boys had a sleep-over in the back yard or when we planned a trip via bicycles from North Tulsa to Keystone Lake one summer. No doubt Francis prayed all night, along with the other parents who allowed the six of us boys to go fishing and camping out over night. God certainly kept His hand of protection and safety upon each of us.

My wife and I were blessed to be able to visit with Francis shortly after she was moved to nursing care in Commerce. The workers there are much appreciated for their loving care and help during her days just before making her home-going to be with Jesus in heaven.

Francis spoke loving words of appreciation for all her family. A couple of Christmases ago, Bill brought Francis to visit my mother. That was a super and blessed visit to my mom and family. We have been blessed to have such loving and kind friends and praise God that we can meet Francis there in heaven, someday soon.

Hang in there family! It won't be long before we will see the Lord's return for His bride!

May our heavenly Father wrap His BIG arms of love and grace around you during this time.

Our love and prayers,

Steve & Alice Bradshaw and family
