“ I went to school with Gary at Delaware and he really liked baseball a lot. Like the others side he did smile a lot. He would take me to the football games at Nowata on Friday night because I couldn't get the car. He and Mike Williams and the Nowata guys started a band call The GC Five. The band was and p

retty good. They played above the old Recall drug store in downtown Nowata. We graduated in 1964 and I sorry to say that I haven't seen him since then. Sorry to here. Jerry Stritzke

“ We met Gary when we first moved to Grove in 1989. We used to go with friends to the Moose and sit with Gary and his wife. He always had a smile and something funny to say. He was a great guy and will be missed. I spent some time with him this summer when he took his grandkids to swimming lessons and I had taken my great grandson. We visited every day he was there with them. He always had something positive to say and you could tell he was crazy about those grandchildren. Thanks Gary for the privilege of knowing you.

“ Gary was a great friend a long time ago, back in the mid 60's. I spent a lot of time with him, Wanda and Bud. We put a lot of miles on the little blue "Ford Falcon". I saw a prom picture of us just a couple of months ago, as I was looking through old pictures. He will always have a place in my heart. I just wish I had known he lived so close, as it would have been awesome to have been able to see him again. My husband and I live in the Eucha/Disney area. I am sending my deepest Sympathy...

“ Gary was one of my mentors in being a karaoke DJ. His true love of entertaining people was contagious and all around him always had a great time. I will always remember the Jimmy Buffet nights at the Moose and Gary in his best lay out and be cool clothes and spinning the discs, smiling and singing (and of course playing the "chicken dance" LOL). He will be missed by all and was truly loved by all. So Binger, Andrea, & Justin just know your dads' finally made the "big time", as he is spinning the discs for the angels and yes all are having a good time.

“ Binger, Andrea and Justin: Thank you for taking such good care of your father. He couldn't have asked for more. To have all three of you at his side, helping to fight along with him, had to have given him so much comfort. We loved him also, and will miss him dearly, as will the many friends of his - some old, some new - and always the ones he met through his music. Take good care of his grandchildren. He was very proud of them. Love you, and stay in touch, okay?
