“ Gary, I only knew you through Facebook, but you became a very dear friend over the years. I always loved your witty sense of humor and all your Spam pictures. My heart goes out to Bonnie, the kids and grandkids. God Bless you. I know you will be cracking jokes with the big guy up there, and I know God will be laughing. Love you my friend. “ Gary, Heaven has you now. Thank the Lord you no longer suffer. It was always so nice when you, Bonnie, your sisters and I would get together. I will miss your smile. I will miss your FB posts., the daily breakfasts that Bonnie made you. Postings of your family were always wonderful. Posts of your Spam lunch/dinner could have been left out. LOL Posting of your faith in Jesus Christ were special. You and Bonnie raised a bunch of good kids and grandchildren. They know that you are watching over them as your sisters too know you watch over them. You are a precious man and will be truly missed.

“ Gary and his family lived next to my family on Penn St in the early 1950s. Coffeyville, being a small town, kids shared schools, ball parks etc. so in many small ways the Roberts and the Garnetts paths crossed. As adults, class reunions and visits to Coffeyville, Gary made time on several occasions to share his friendship. I will always treasure his friendship. Jeff and Patty Garnett Tellechea
