“ Gary was the kindest sweetest funniest man, he would help anyone if he could. The loss that everyone feels is very deep, I will miss his jokes and his laughter and his sweet smile. He was a friend to all. He is safe in the arms of our Savior now. Gary worked with my husband Gary at eagle picture for 15 years they were very good friends now they're in heaven together. The Lord has truly got his hands full with those two in heaven. We will meet again one day.

Freda and family,

Freda, we were so sad to hear of your terrible loss. You know Ed and I thought highly of Gary. We had actually both thought of him as we walked down Main Street in Miami a few weeks ago, looking at the classic cars. Ed and Gary could always find something to talk about!! wishing you all , peace in this time of sadness.

“ Freda,
My dad and I send our most heartfelt condolences to you and your precious family! I remember Gary since I was knee high to a grasshopper. That voice and laugh I will always remember. I have so many fun memories of him and my dad. Gary and my dad talking their man talk in the garage and getting chased by Charlie the turkey! He was one amazing man and such a good friend to my dad especially these past few challenging years. We will always love our beloved “Chubhead.” We always considered him family. We love you so much and our heart and prayers are with you during this time.

“ We’ve known Gary Dale since our school years in Dewey, Oklahoma . Ended up living in the same “neighborhood “ in Miami in the country. I love this family. Freda, Jodi, Becky and the grandkids. Gary never met a stranger. People were drawn to him because he loved people. He loved helping people. My God we are going to miss him. I was always so happy when I heard that truck or motorcycle pull up in the driveway. We would visit for hours. We’re better people for having had him in our lives. We love you Gary Dale.

💜🇺🇸 Fly high dear friend. 💜🇺🇸
