“ We thought the world of Gary! He was such a hard worker and knew how to do a little bit of everything. He was always supportive of Pat and the boys. Blessings to the whole family at this hard time!

“ He was truly one-off the best In the world! He showed me what a true father should be and how it felt to be loved! We loved giving each other a hard time and I loved how he lit up when I would visit, which I did not do enough! I have so many amazing memories of him and Pat and will forever cherish our time together! He will always be someone I'm forever grateful that God brought into my life and helped shape me into the person I am. My hope is that I can be half of the parent he was to Jason and Eric!

Love you always!
