“ Terry, Janet, Pam and Anita I'm so sorry to hear about your Mothers passing. Larry, Garry and I have have talked about what great times we had when we were all growing up with your folks and ours. I really miss those days and I remember your folks well. I know Mom really missed Genevieve in the last years of her life. I like to think of our folks as all being together now, planning that next fishing trip. My heart goes out to all of you and yours.  
Thanks Janet for keeping us informed.
