“ Jeannie,

*You were my everything. Without you I wouldn't be who I am today. You loved me like your own family. You never told me a dream was unreachable. You are one of the greatest people I have ever had the pleasure of having in my life. Not a day has gone by where I have not thought of you and you will always be in my heart. Just like I would say when I was just a toddler, I will say now, you were "My Jeannie" and always will be. I love you so much and will miss you forever.*

*Love always,*

*Heather*

“ *Glenna was not just my cousin, but like an aunt to me too and a great friend. I remember one of the wonderful things my cousin Glenna (we called her Jeannie) did that touches my heart the most was when she anonymously sent my daughter Jenny a single red rose to her school. It couldn't have come at a better time as Jen was having a really bad day. I will never forget how much that single thoughtful act lifted my daughter's spirits. I love you Jeannie and I will miss you forever. Love Paula*
