“ We had the privilege of visiting with Lucille just about every Sunday. We got to know her through a former roommate at Eastwoods. She was such a sweet soul. We will sure miss her!

“ I will never forget you my friend. I passed meds to you at Eastwood nursing home. One time I was joking around with her and told her I had her little pink pill so she couldn't have any more kids, so every time I went to her room she would say "you got my pink pill cause we ain't having no more kids" God how I love her. RIP my beautiful friend. You will be missed

I spent a lot of time at Lucille and Chester's house when I was a kid. Always treated me like I was one of their own. Those were such good times that I will always remember
