

Harold Duane Inlow

December 17, 1947 - February 1, 2021

Duane was born in Nevada City, California on December 17, 1947. He was one of five children born to Chester and Opal (Sale) Inlow. He passed from this life and moved into his eternal home on Monday, February 1, 2021 in Miami, Oklahoma, at the age of 73.

Duane went to school in Afton and Grove and graduated high school in Tulsa in 1967 with his twin sister Elaine. He joined the United States Army right after high school and was stationed in Anchorage, Alaska. He was trained as a truck driver and transported tanks and heavy equipment from Fairbanks to Anchorage where they were placed on boats and shipped to Vietnam. Duane was very proud of his military status and enjoyed spending time at the VFW.

After the military, Duane became a long haul truck driver traveling from coast to coast. He worked with his father Chester and brother Ronnie driving family trucks. Later, he bought his own trucks and drove for most all of his life. He was very proud of his trucks and went by the handle "Thunderbolt". He loved watching trucking movies (Smokey and the Bandit, for one) and listening to trucker songs and country music. He became an excellent mechanic and could fix just about anything. Duane worked hard to provide for his family. He never married and had no children of his own. Duane "Uncle Bud" considered his nieces and nephews as his children and later his great nieces and nephews, many of whom would call him Grandpa Bud.

Duane is survived by:

“ *Bud was always such a big part of my life we had some really unique times him and Jim catching a giant catfish and putting it in my bathtub when I went to get in tub they filled it full(so I wouldn't see the fish) I screamed loud enough to wake the entire town of afton, then our trip to the red woods in California THAT was another long story, so many happy and proud memories, I miss you every day you are whole now no pain, no unhappiness, I will meet you and the rest of our family one day so keep watching and try to stay by the gate.*
