“ *Helen was an inspiration with her obedience to serve the Lord. I looked forward to seeing her setting at that piano with her big smile and her sassy personality every week. I shared a picture of her and Pastor Ed. She had been giving him a rough time because he would stand at the back of the church and she could not hear him sing, so she began to play and looked up to see him sitting right in front of her. She got so tickled at him that morning.*
