“ Uncle Henry was always so kind and thoughtful to my family and me. He holds a very special place in our hearts. We have an old home movie where he's teasing my Mom when he, Aunt Bea, Diane, Shirley & Sharon came to California back in the late 50s or early 60s, and it is so cute. What a wonderful time it must've been! So happy he's at peace and not hurting anymore. Paulette Miller.
