“ My wife wife Brenda and I (Terry) First met Jack when we moved to Grove 7 years ago and became imediate friends and no matter where we were at he always made it a point to say hi, he did some woodworking for us and it was top notch. We will miss him dearly as a person and mostly as a great friend they are hard to come by as good as he was.

“ When I moved to Grove in early 2015 Jack was one of the first to welcome me. The funny thing is, it was like we had been friends forever. Definitely one of the nicest and down to earth people you'd ever want to meet. It's was on honor to be his friend.
