“ Jackie and I had several classes together in HS. One of our most favorite was Mrs Logan's home ec class. We enjoyed not only the learning but the sharing of teen happenings. It was a most enchanting hour every school day of sharing our everyday lives. Seeking out those true lifelong friendships that at the time we didn't even realize how wonderful it was going to be for the rest of our lives. Every year it was another blessing of special time spent with each other for all of us girls.

“ I have enjoyed visiting with Jackie for many years now. She was a blessing to many, many people. The Kreeger family are all special and giving people. I weep to think that we will be without Jackie during the coming years, but to think of her as a beloved lady who ran her race well is a comfort. Jacquelyn Kreeger has been a loyal supporter of Miami in multiple ways, supporting Miami High School and NEO as a Presidential Partner. She is going to be missed. Our hearts go out to Renick and the whole family.

“ I met Jackie at 16 when we both worked at T G & Y (she was one of my bosses of course) and she and Rennick had their first Pizza Hut. She was witness to lots of my first dates:). Later we worked together through Jaycees and State Junior Miss and Haunted houses, rodeos. Seems she's always been in my life. A good part.. she had the brightest smile and infectious smile! Heaven rejoices!

“ *The passing of Mrs. Kreeger is a huge loss not only for her family, but her community as well. Mrs. Kreeger loved serving others. She was always an intricate part of assisting the Delta Zetas each year for rush. She loved us as her own and carried that love on even to our own children. I loved taking trips with the family and visiting their home. And she always made me laugh. She will be truly missed. My heart is grieving for her family. Sending my prayers and love to you all!*

Jackies's sisters in Theta Eta will miss her energy and playfulness. She was always the first to respond to any sister's emergency with food or a call. We mourn her passing, but rejoice in the memory of our field trip to visit her this summer. What fun we had that evening with Jackie laughing and telling us all stories of her grandkids. Our thoughts and prayers go out to the family.
