“ Written by Johnnie Buttram—

*I've known Jim Buzzard for almost 6 decades and he was a fun guy to hang out with! Jim had great communicational skill-sets and a great sense of humor!*

*Jim's acts of kindness and compassion for others were just one of the many ways Jim proved his great love for his Creator!*

*Jim dearly loved his family and their extended families and they loved him in return!*

*I will always remember Jim Buzzard as a lucky guy!*

*When you cut to the bottom line . . . Jim Buzzard lived 95 years (almost a century) where he loved his Creator . . . his Family . . . his Friends . . . and they loved and respected him enough to give him their love in return! . . . . NOW THAT'S A BIG DEAL!*

*Yes . . . (there's no doubt about it) Jim Buzzard was one lucky guy!*

“ Jim was always such a sweet soul, with the most beautiful light in his eyes. His smile was the absolute best! He’s been like family to me since I was a little girl, running across the street to play with Derrel. ( Shannon, insert your story here... ). He raised a beautiful family that I am so thankful to know and love. My thoughts and prayers will be with each of you.
