“ *Jessica and family,*

We are so sorry to hear about your mom's passing. It's always hard when we lose a parent, no matter how old we are. Uncle Rick shared a memory of who he referred to as the "Goins Girls" walking down the street together passing his house when they were little. He thinks they were walking to town and did it repeatedly, especially in the summer.

Is there somewhere we could send a memorial in her name?

Love and prayers for you all as you celebrate her life and continue on your journey.
