“ *Jean was such a wonderful mother and caregiver for her family. As I only knew her during our high school years she was always there to support her family and any needs of our group of friends. Her family is blessed with all of her lifelong memories. God bless you all.*

“ Jean was always a quiet, and lovely person with a deep love for her family and church. She and Bud were always a constant presence in our parish at Sacred Heart. Regardless of the age of our parents when they pass, they are missed when no longer with us. We send our prayers and love to David, Nancy, Annie and her grandchildren.

“ Mrs. Walser was always such a gracious presence at Sacred Heart. I found many, many kind and loving notes of encouragement and care she wrote to my mother when Mom became housebound. I am so sorry to hear of her passing.
