“ My name is Patti Mellon Shafer. Jeanne was a high school friend and lived in our Whittier neighborhood. I still can see her riding her horse down the street with her dog “ Rebel “ trotting beside. She was a bridesmaid in my wedding and we lost contact. I wish I would have tried to find her before now. My sister , Connie, lives in OK City. She says Jeanne took her horseback riding and her butt has never been the same. My heart goes out to her family and friends

“ She was a sweet generous lady to take in a bunch of reprobates on the weekends. I've lost count of how many weekends we trekked up to the high desert to work on that dang bird house. I find it ironic that a little tornado took out the bird shed and later in life she moved to Tornado Alley. She was always so sweet to open her home to us. I really enjoyed hanging by the fire pit, swapping stories, and passing the bottle. I loved how she taught us Farkle and then whooped our butts with no mercy. She was a wonderful person!

“ Condolences to all of the Family. What a beautiful soul this woman was.
Jeanne Anne always treated me as if I was one of her own boys. I will never forget the look on her face after taking her black bear at our hunting property. Tears of joy and accomplishment all around. So glad I was part of that moment for her! You will be missed, Sweet Lady...
