“ Jerry, it has been many years since I've seen you. I reached out to you, but I know life can keep us so busy. I remember your sense of humor and how you stood up for the ones you love. I know that you know the Lord and am thankful for that. Rest In Peace brother. I still love you.

“ *Brother Jerry, Rest in Peace. We will miss you.
I have many fond memories, but one in particular every time I think of Jerry. When we were young, he and Sherrie had just married, I was so dumb when it came to working on cars. Jerry would always tell me to bring my car over, he would help me fix it. He did that several times. He taught me several things working on my old hunk of junk. He was always willing to help.
Thank you Jerry for so much. Love you Brother!!
