“ Kate: I'm so sorry about your mom, Trixie and I had many fun times together when she lived in Chelsea. She was a fun person and I considered her a friend. I wish we would have kept in touch. I'm out of town and was unable to attend her celebration of life. I do know that she adored you and I know you will miss her terribly. I pray that God will wrap his loving arms around you and comfort you. Debbie Shriver James
