“ Even though I have not seen my Uncle Jimmy and Aunt Betty for many years, It's hard to believe they are both gone within a month of one another. I have such fond memories of both Uncle Jimmy and Aunt Betty. My memories Uncle Jimmy was him being a quiet man with a gentle soul that cared deeply. He would observe and chuckle quietly at the humor he found in simple moments. I remember Aunt Betty caring a great deal for her family and making sure they were cared for well. Life wasn't easy and I'm sorry for that. I wish I could have seen them again before they passed...Time and distance didn't keep them from holding a dear spot in my heart. They lived in Washington for a time and I have lots of good memories with Bruce and Garland as well....bowling and exploring the woods. My prayers are with the family as they walk through this difficult time.

“ *My heart is broken with the loss of my wonderful brother , just a month after the loss of his precious wife of 50 years!! I have so many fond memories of our times together. Even tho I live far apart in miles....we were close in our keeping in touch .My heart and prayers are with his family that he left behind and loved very much. After his 3 yrs in the army he was never without work ! Such a hard worker. I never heard him being critical of anyone . My heartfelt Sympathy, Love, Rita Ethylene McCoy*
