“ *In life I could never say what I really felt with you, so I never said it. Today you are gone and there are so many regrets, words not said, hugs not given...no matter what you were my 2nd mother and for what I learned from you I am grateful! So sorry you left without hearing my words. I choose to remember the good times, I never will forget the times on the boat on Grand Lake when DL and I were kids...when lifes pain & issues could'nt hurt us.*

I love you Joann, truly deeply sorry we never could see things the same. Nancy Lee###imported-begin###Nancy###imported-end###
