“ Can't believe Friday will be the 3rd birthday of yours that I haven't talked to you. It doesn't get easier...oh, some days I smile at our memories, but other days the pain is so intense that it hurts to breathe. I know that you don't know that pain anymore, and I'm grateful for that. I love you more than I could've ever said. Miss you so bad..

“ A beautiful angel is all that is here saying o lord please leave me here not ready to leave but has to go wants to go back but God says no. A husband children grandchildren and friends a meaningful life that suddenly ends. An angel is what she is meant to be now think of all that she can see watching over family. Night and day saying i love you in her own special way. In the night we sleep and in the day we cry while she watches us all from hher star in the sky.

I love you grandma so much. I wish I had one more day. You definitely are my angel.

*“ I will miss you so much, Aunt Jo. Not only did you let me drive the "big" car and teach me to drive, let me cook in your kitchen, and stay with you in the summer, You took care of my mom in so many ways. Your love for Jesus Christ, your patience, your kindness, your love for your family, is such an inspiration to me. Even though we are here grieving right now, there is comfort for me knowing you are in the arms of Christ, Grandma, Uncle Kemp, Uncle David, and all of our loved ones, what a sweet reunion it must be. I will take care of my mom as I know that not only were you two sisters, but best friends. Love you and will miss you so much,
Love,
Annie*

“ You are one of the sweetest people I have ever known Mom, and it is an honor to be a part of your family. You took me under your wing with your strong faith in Jesus Christ, and your kind, warm and loving heart. You never had an unkind word for anyone, always seeing the good in people you knew and met. I have no doubt, one day we will see each other again, so this isn't goodbye, but see you later. You are now safe in the arms of Jesus, and with your loved ones who went on before you, I can only imagine what a joyous reunion is taking place in Heaven today, a jewel in Jesus' crown. I love you Mom, I will be seeing you.
