*“ I knew John for almost 25 years. We worked together on many projects at Tar Creek. I always enjoyed John's sense of humor. I will miss helping him set up his vendor's booth at the big gun show in Tulsa twice a year and the sandwiches and treats he used to bring for all of us. As former federal employees, we used to grumble about the present state of the government. He was a dear friend and will be missed by many of us.*
