“ *I will miss you, grandpa. So many great childhood memories. You taught me to be curious and develop an engineer’s mindset that has served me well over the years. You loved me like a son. Rest in peace.*

“ *Johnny my stepdad married my mom in 1969. The first year was difficult. Dealing with a rebellious teenager. At sixteen I knew it all. Two years later when I returned with a nine month old baby boy he welcomed us with open arms. Johnny was a recluse. He didn’t have an impact on many lives. He had a huge impact on my son Michael’s life. He gave him unconditional love. Johnny taught him how to be a man in so many ways. He was loved.*
