“ So many memories I can't share them all here. Johnny was a dad to me also growing up and I loved him so much for that. Taking us kids places, swimming pool maintenance so we had a safe place to be, watching movies together and scaring us at the right moment are just a few. I knew Johnny was always there for me and one of the best things he did was video my wedding so I would also have that memory forever. I will truly miss you Johnny Davis and your love and kindness will always be remembered. - Rayla and Jerry Gorman

“ Never will forget all his Roy Rogers stories :-) I loved listening to him tell stories on his shitzus. He sure loves his fur babies. Ever once in a while he would tell a story on Sandy too! ;-)
